## ENTERPRISE FUNDS

Each spring, students in the School of Forest Resources at
the University of Arkansas-Monticello spend one week
testing both their technical and physical forestry skills.
The week is culminated by the annual Forestry Field Day,
a competition of traditional lumberjack skills such as
pole climbing, log chopping, bow sawing and log birling
(walking on a log in water). The winners and alternates
in each technical and physical category go on to
represent UAM at the Association of Southern Forestry
Clubs Conclave, a competition featuring forestry students
from other colleges and universities across the country.

Conclave began in 1958 and UAM students have
dominated the event, winning 25 of the previous 43
competitions, including 24 of the last 34, 12 of the

#### **ENTERPRISE FUNDS**

The enterprise funds are used to account for operations of those state agencies and/or programs providing goods or services to the general public or a user-charge basis or where the State has decided that periodic determination of revenues earned, expenses incurred and/or income is appropriate for capital maintenance, public policy, management control, accountability or other purposes. The enterprise funds consist of the following:

Workers' Compensation Commission - This agency is responsible for providing a prompt and equitable system of compensation for injury or illness sustained during the course of employment.

**Construction Assistance Revolving Loan Fund** - This program is responsible for providing a perpetual fund for financing the construction of waste water treatment facilities for municipalities and other public entities.

*Other Revolving Loan Funds* - These programs are responsible for providing a perpetual fund for financing the planning, design, acquisition, construction, expansion, equipping, and/or rehabilitation of water systems and the financing of capitalizable educational and general projects for community and technical colleges.
